SUPREME COURT REPORT CONTRACT

THE JACKSONVILLE METROPOLIS
SAYS THIS PRINTING WILL BE
DONE IN GOOD SHAPE.

The Jacksonville Metropolis says: The Board of State Institutions met yesterday in Tallahassee and awarded the contract for printing the Supreme Court Reports, volumes 8, 11, 13, 14, 15, 16, 21 and 22, to E. O. Painter, Jr. Printing Company, of DeLand, which concern proved the lowest bidder.

Other bidders for the contract were: The Byrd Printing Company, of Atlanta; the Record Publishing Company, of St. Augustine; the Capital Publishing Company, of Tallahassee; the Florida Index, of Lake City, and the True Democrat of Tallahassee.

This insures decent work and it will probably be in striking contrast to some of the other rotten work turned out for the state of Florida in the past, and which the people have had to pay dearly for.

That the state of Florida has been forced to accept some of the printing done for the state is nothing less than disgraceful, and would give an impression to outsiders that the work was turned out by a backwoods job office whose proprietor was careless, ignorant and incompetent. This sort of thing has been severely criticized throughout the state, and the citizens generally believe that Mr. Painter will show up excellent work.

Had the St. Augustine Record, the Florida Index or the True Democrat succeeded in securing the contract, they would doubtless have also turned out excellent work, because they have a reputation for doing excellent service, and their publications show care and are up to date typographically.

Chamberlain's Cough Remedy Aids Nature.

Medicines that aid nature are always most effectual. Chamberlain's Cough Remedy acts on this plan. It allays the cough, relieves the lungs, aids expectoration, opens the secretions, and aids nature in restoring the system to a healthy condition. Sold by all druggists.

ATTENTION.

Teachers, Patrons and Children of the Public Schools of Escambia County, Florida.

Pensacola, Fla., Sept. 21, 1935. Owing to the unfavorable health report made last evening, the Board of Public Instruction orders that the city schools shall not be opened until Nov. 1st, next, but those schools in the country now provided with teachers and ready to begin work will be allowed to do so on October 2nd proximo.

Contracts, registers, blanks and other school supplies will be forwarded by the superintendent by mail, express or other means.

AN OLD IDEA.

Shown to be Absolutely False by Modern Science.

People used to think that baldness was one of those things which are handed down from generation to generation, from father to son—just like a family heirloom.

Science has shown the falseness of this belief by proving that baldness itself is not a constitutional disease, but the result of a germ invasion of which only Herpicide can effectively rid the scalp.

Washing only cleans the scalp of Dandruff, it doesn't kill the germs. "Destroy the cause you remove the effect."

Newbro's Herpicide will do this in every case. It is also a delightful dressing.

For sale by W. A. D'Alemberte, druggist and apothecary, 121 south Palafox street, or send 10c in stamps to The Herpicide Co., Detroit, Mich.

SOUTH HAS AN UNCLE TOM'S CABIN

Thos. Dixon's New Play, "The Clansman," Scores Big Success in First Appearance.

Norfolk, Va., Sept. 22.—At last the South has an "Uncle Tom's Cabin" of its own. This was the verdict rendered enthusiastically tonight by the Norfolk audience in the Academy of Music at the first presentation on any stage of Thomas Dixon, Jr.'s, "The Clansman," under the management of George H. Brennan.

Never in the history of Norfolk has a more delighted gathering assembled in the local theatre. The stirring situations of the production followed each other so fast that the audience remained spellbound throughout the performance, except when forced to realize the tension with loud outbursts of applause. There were curtain calls without number and at the conclusion of the third act, the author, Mr. Dixon, was compelled to make a speech. Among other things he declared his intention of manifesting his deep personal interest in the play by accompanying it on the southern tour.

The various personages in the large cast of "The Clansman" were interpreted by stage artists of exceptional ability, several of whom have a national reputation. In addition to the speaking parts there were a small army of supernumeraries and several poses. The latter added greatly to the spirited effectiveness of the Ku Klux Klan scenes.

The engagement in Norfolk is for two nights and a matinee. Before the curtain rang up tonight every seat for all the performances had been sold. This is the record business for Norfolk and it will be duplicated when "The Clansman" returns after its New York run.

It was freely predicted in the audience tonight that "The Clansman" is destined to equal the half century life of "Uncle Tom's Cabin" to which Mr. Dixon's play is a complete answer. Unquestionably it marks an epoch in the theatrical history of the south, for it is the first play which has succeeded in doing justice to the white skin of the race question.

If the reception in Norfolk is a criterion, the tour in the southern cities will be nothing short of a triumphal journey, and capacity business will be the rule without exceptions.

Aged Woman Cured of Consumption and Hemorrhages

Mrs. Mary Griffiths, of Albion, Pa., Restored to Vigorous Health by Duffy's Pure Malt Whiskey, Recommends it as the Greatest Medicine for Weak and Aged People.

"I Was a Mere Skeleton From Consumption of the Liver and Hemorrhage, and Helpless as a Baby, but Now, at 64, I am in Perfect Health, and Duffy's Is My Constant Medicine."

MRS. MARY GRIFFITHS.

"I have taken Duffy's Pure Malt Whiskey for almost one year, and I can truthfully and conscientiously recommend it to everyone as the best medicine for weak and aged people. One year ago last winter I was taken very seriously ill with what the doctors called hemorrhages and consumption of the liver. From February to the latter part of May, I could not turn over in bed, and was almost as helpless as a baby. I was a mere skeleton. I was advised to take Duffy's Pure Malt Whiskey, and it certainly is better than any medicine I ever took. To-day, at 64, I am in perfect health, and never have to call on a physician. Duffy's is my constant medicine, and I never will be without it."—Mrs. MARY GRIFFITHS, Albion, Pa., May 24, 1935.

Duffy's Pure Malt Whiskey

is the positive preventive of consumption, hemorrhages, bronchitis and all diseases of the throat and lungs, and hundreds who have suffered with these dread complaints say that their return to vigorous health is due to its prompt and regular use. It is prescribed by physicians of all schools as the sure cure for dyspepsia, indigestion and all stomach complaints. It is the greatest tonic-investigator known to medicine, and thousands of old people the country over are kept healthy and strong by its regular use.

Duffy's is the only whiskey recognized by the Government as a medicine and is endorsed and recommended everywhere by ministers and temperance workers. Guaranteed to be absolutely free from fusel oil.

CAUTION—When you ask for Duffy's Pure Malt Whiskey, be sure you get the genuine. Dishonest dealers will try to sell you cheap imitations and substitutes, which are put on the market for profit only, and are positively harmful. Demand Duffy's and be sure you get it. Sold by every reliable druggist and grocer in the country, or direct from a bottle. Look for the trade-mark, the "Old Chemist," on the label, and be certain the seal on the cork is unbroken. Address Duffy Malt Whiskey Co., Rochester, N. Y.
